up at Port Oneida, on the Michigan shore,

wore a cheap calico dress, minus the hoops, with a little gingham shaker, nearly hiding her face. She was rather undersize, with eer, as she passed out the gangway. The girl gave no heed to admiring glances and compliments that followed her, but straightcabin, on the high bank above the shore. Her father came here from Buffalo some dozen years ago, went to clearing timber, selling wood to steamboats, and raising stuff on his land. Lanie, the oldest girl, was the "little captain" from the start, and showed plack beyond her years. In In summer she would wander off a berrying, or be down among the nets of fishing on the water, to rock and toss upon the waves. At ten, she was a trim little sailor herself, and would coast off for miles alone. At twelve she would allow no boy to pass her with sail or oar. For the last three years "Lanie" has been master of a handsome fishing craft and a set of "gill nets." She puts them out early in April, and continues them till late in the fall. She is out levery morning at daylight, and again in the evening, except in the roughest weather. She takes a younger sister along to help to set and draw the nets. She often brings in a couple of hundred fine lake money goes to her father. Month after month, he packs it away in old sacks and stockings under his bed; night after night he guards it with sabre and pistol.— In all, she is said to have earned him over with full sails. Her white mast and blue pennon is known by people far along the
